

MARÍA DEL ROSARIO TÉMER NIETO

Art History Graduate

mariarosariotemer@proton.me | Madrid, Spain | Willing to relocate

PROFILE

Art History graduate with academic interests in Renaissance and Baroque art, restoration, conservation, cultural heritage, museums, and the art market. Completed a final degree thesis on the history of the Elgin Marbles and gained commercial experience presenting exclusive art publications produced in collaboration with museums and artists. Seeking opportunities in the arts and heritage sector, as well as master's programmes that combine art-historical research with conservation, collections, museums, or cultural management.
